MARCH 2025

FROM THE BOARD:

With Spring just around the corner, we look forward to warmer weather, outdoor gatherings and sunshine. We also consider the Winter cleanup, sprucing up landscaping and new projects. Carl, our Manager, has repainted and updated the Community Center giving it a new and refreshed look. New barn doors and storage rooms have been added to the gym area to hide unsightly items and give a clean and welcoming look to the room. This will serve us all with a large gathering space to use for parties and more. The room has a more "refined and finished" look thanks to the efforts of Carl and Board Treasurer Dave Fiegl. Board member Ron Tarleton has also updated and upgraded our internet at the Community Center to better serve the needs of staff, residents and guests. Make sure to schedule your events (up to 3 per year) with Colleen at the office. Do it fast because word is spreading about the improvements and dates are filling up.

Please make sure to communicate with Carl regarding any maintenance issues, light bulb replacements, etc.

Enjoy the transition from cold to warmer days!!
