MAY 2025

FROM THE BOARD:

Our community is looking great going into the late Spring and early Summer season. The power washing project for this year is coming to a close as the crew finishes up some last-minute detailing this week. The mulching project will be finished within the next few days and our community looks absolutely spectacular. We are thankful for all of the work that has been done and the projects that have been accomplished over the last few months. The Board is looking forward to some new projects for the 2026 season.

There is a Strasburg School Levy coming up soon for vote. Members of the local community and school will be coming to the Pine Ridge Community Center this coming **Saturday morning, April 26, at 9:00 AM** for a question and answer session to introduce the levy and how it will work. This is a great opportunity for any residents to get information and have their questions answered. All are invited.
