OCTOBER 2025

FROM THE BOARD:

It is with great excitement that we are proud to announce that parking is available on both sides of 7th Street after the announcement was made at the most recent Village Council meeting. This gives our community a safe place to park for events at the Community Center that will be flat and easy to maneuver during inclement weather. The 7th Street parking will also minimize any potential parking issues on Dale Avenue. We thank each of you for your patience in waiting for this to take place, but the outcome is greatly to our benefit long term.

With the change in season, we understand that our grass and yards have become dry and dreary. Carl and the landscaping crew are still working hard to ensure weeds are kept in control and that our lawns will return to normal with some much-needed rain and cooler weather.
